LINCOLN

O, Lincoln High

*Oh that some angel voice was near,
To sing these notes of gladness,
To chase all silence from the air
That fills our hearts with sadness;
For gladsome notes our lips would breathe of
Lincoln.*

*O, Lincoln High, O, Lincoln High,
Tho' from thy guiding hand we stray,
Thy memories will cheer the way;
O, Lincoln High, O, Lincoln High,
O, Lincoln High, O, Lincoln High.*

*In fancy's light we see thy walks,
Her sunshine plays upon you,
Her vapors linger 'round thy walls,
Like ghosts of love so true;
Like treasured dreams of times long past
In Lincoln, dear old Lincoln,
Like treasured dreams of times long past at
Lincoln.*

Foreword

We present to you the 1948 volume of the Lincolnian. In these pages we have attempted to bring to our readers, with a few changes from presentations of years gone by, a pictorial summary of life at Lincoln High. Because of most regrettable circumstances, pictures of our band and of our ROTC were omitted from this volume. We are extremely proud of both these organizations and thus are indeed sorry about this mischance. It is our sincere hope, however, that this book will always bring happy memories to students, graduates, and faculty members. To those who are donning the cap and gown and saying goodbye to Lincoln go our best wishes . . . *Ave atque vale!*

To the Graduating Classes of '48

EARL D. THOMAS, *Principal*
A.M. University of Chicago

My Friends:

I take pleasure in recommending your graduation from the Lincoln High School and Junior College. You have reached the end of another period of your public school education. Graduation should indicate that you are ready to pursue studies toward professional employment or you are ready to enter vocational training or private employment. Graduation from Junior College indicates courage and persistence in pursuing formal education. The two years of additional training above the high school should better enable you to take your place in the vocational world.

To all of you, my sincere hope that the years to come will be happy and profitable, that you will continue to learn and to contribute to the welfare of your race and country. That, only, is the purpose of your training.

Sincerely,

Earl D. Thomas,
Principal.

GIRARD T. BRYANT, *Vice-Principal*
Dean, Junior College
A.M. University of Kansas

CAROLYN E. BRYDIE, *Counselor*
A.M. University of Chicago

We dedicate this annual to our retiring counselor because of her sincere interest in the boys and girls whose lives she has touched; because she exemplifies all that is noble in character; and because we love her and know that Lincoln will miss her more than very much.

M. HARVEY TOMPKINS, *Science*
A.M. University of Kansas

We pause to say goodbye to a member of our faculty who retires from classroom duties at the close of the school year. An inspiring teacher, loved and respected by teachers and students alike, M. Harvey Tompkins will be missed at Lincoln. Good luck and best wishes, friend!

AS THOUSANDS CHEER!

BASKETBALL

The Varsity squad: R. Palmer, J. Bettis, W. Carrington, A. Johnson, J. Shaw, M. Brooks, L. Dudley, K. Lightner, M. Block, T. Cooper, H. White, T. Smith. Captain—Robert Palmer.

Freshman squad: Turner, Walker, Bell, McGee, Lockett, Godfrey, Gates.

The games won: Lexington, Columbia (2), Coles, Springfield, Joplin, Alumni, Western Baptist Seminary.

Games lost: Oklahoma City, Sumner, Joplin, Coles, Duncan All Stars, St. Joseph, Lincoln University High.

Johnson was the season's highest scorer, followed by Carrington.

Another highlight of the season was the game between the L. H. S. Faculty and the R. T. Coles Faculty. The Coles Faculty won 30 to 15.

The Tigers did not compete in the State basketball tournament, but are looking forward to doing so next year.

Julius Bettis was selected to the second team of All City-All League-All Stars.

Most of the Varsity squad will return next year, and there are possibilities for a State championship team.

FOOTBALL

The Lincoln Blue Tigers are rapidly on their way in football dominance. This year (1947) was not a good year for the Blue Tigers, in football, but prospects for (1948) are great. With the addition of the freshman, one can look forward to better teams.

The Blue Tigers were set back on their heels in their first game. The alumni inflicted a 20 to 0 defeat. The Tigers defeated Lexington 20 to 0 on the home field. The Tigers played the best game of the year with K. V. S., coming out on top 14 to 6. There was excellent blocking and tackling. Burdis Herring, end, caught both touchdown passes. R. T. Coles was defeated 14 to 6. Muskogee took the measure of the Tigers 25 to 0. Sumner High of St. Louis administered the most stunning defeat of the Tigers in Public Schools Stadium, St. Louis. The score was 52 to 0. Columbia won over the Tigers, 25 to 6. The last game was the hardest fought. The Sumner Spartans defeated the Tigers 14 to 8 in a gruelling contest. Charles Foster, diminutive back, played a whale of a game.

The squad (1947):

Center: Nelson.

Ends: Gates, Brooks, Herring, White.

Guards: Carrington, Ford, Gincs, Jones, Fields.

Tackles: James, Cravens, Smith.

Backs: Anderson, Dozier, Martain, Seals, Davis, Gibbs, Long, Foster.

TRACK

The Lincoln High School Track Team is filled with many prospects. Last year the Tigers finished fourth in State competition and won the National Mile Relay Championship in St. Louis. The Tigers, engaged in a triangular meet with Sumner and Northeast, and won second place with 38 points. Carrington was first in the shot put, second in the century and second in the 220. Brooks was first in the 440 yard dash, Goodspeed third. Lucas placed in the high jump. Lincoln swept the discus and did well in the relays.

In a triangular meet with Western Baptist and Lincoln Junior College, which was won by Lincoln, Junior College was second. Lincoln swept the century, 220, 440, second placed in all other events. Carrington took the century, second in the 220. Dudley, Brooks and James swept the 440-yard dash, and Lincoln won or placed on all the relays. The Missouri State Meet was on May 1st.

The squad:

100 and 220 yd. dash: Carrington, Lucas; 440 yd. dash: Brooks, Johnson, Dudley, Seals; half-mile: Frazier, Bettis, Rogers

Field events: Crockett, Johnson, Carrington. Lucas. Gates.

GIRLS' SPORTS

Girl athletes will remember the year 1947-1948 as one of the most progressive years for them in sports, one packed with thrills, excitement, and enjoyment.

The year began with basketball. Members of all the high-school classes derived much from the game. Intramural teams met after school to play twelve games, in which each girl had to come out at least eight times in order to receive a letter in intramural sports. Out of these twelve games the seniors came out on top, the junior college ranked second, the juniors came out third.

After basketball came the volley ball season. A brush-up on the rules and the techniques of the game gave the girls a start. Intramural teams again met after school to participate in a tournament. This time only the seniors and the juniors competed. The seniors came out on top.

The most spectacular event of the year in the physical education department was the exhibition held in the gymnasium January 8 and 9. In addition to stunts and dances from the girls in the physical education classes, there were numbers by the Majorettes and the ROTC.

On April 19 delegates from the American Association of Physical Education visited our school. The girls presented a program consisting of basketball, volley ball, and swimming.

Much praise is due the sponsors of these activities, Misses Smith and Pullam.

ASTRIDE THE WINGED HORSE!

QUERY TO OUR TEACHERS

Won't you miss us, Lincoln High School?
Won't your halls be kinda bare:
Won't you feel quite all alone and have a vacant stare
When the class of '48 goes
And leaves you standing there?

Won't you be most sad and thoughtful?
Won't you pine for us who've gone
Like ehildren who leave their mother
To tread their way alone?
When the class of '48 goes
Won't you feel forlorn?

Won't you keep a memory of us, Lincoln,
That will live forever and aye,
That will heal your heart when lonely
And cheer you on the saddest day?
For the class of '48 loves you
And will ever hold you dear.

But won't things change to melancholy
When we leave you here?

—*Ernestine Mae Weston.*

TO THE FACULTY

Your thoughtfulness of others
And your ever-friendly way
Are just two of many reasons
Why you're liked more every day.

I want to tell you here and now
In simple words and quick,
You are just the finest teachers
That anyone could pick!

You are the grandest teachers
That we have ever known,
And we're so completely happy,
'Cause you b'long to us alone!

We've had such fun together,
No fussy hours and such;
And because we're leaving Lincoln
We'll miss you very much!

—*Grace Lucille Beamon.*

SONNET: TO THE SENIORS

At times your voices rose, not sweet but loud,
And so you nearly drove us to distraction;
At times to slothfulness your faith was vowed
And books for you held not the least attraction;
You chewed your candy, popped your bubble-gum,
You strewed the halls with bits of your possessions;
You kept assemblies in a nervous hum;
You read such trashy stuff as "True Confessions."
Your hearts leapt up whenever you beheld
A notice saying "Social after school";
'Twas carefree living that your souls impelled;
And work was the exception, not the rule;
But now the halls are silent on the hill,
And though you plagued us much, we love you still.

—*N. F. H.*

WE'LL ALWAYS REMEMBER

We'll always remember our days at Lincoln High:
The rustle of the students passing by;
The loud, loud chatter which we'd rather not hear;
The principal standing, fatherly but austere.
The lockers which were always crammed;
The locks which wouldn't bulge even when slammed;
The corridor guide who hurried you on your way;
The rush to the cafeteria each and every day.
The teachers who were always so dignified;
The problems you couldn't work, regardless of how you tried,
The custodian usually hard at his work;
The efficiency of the office clerk.
The talks you got when you were late;
Waiting after an exam to learn one's fate;
The struggle in springtime trying to concentrate;
The unimportant notes passed to a near classmate;
The gum, the smothered giggle at an unscheduled snore;
The insignificant persons peeking in at the door.
The notebooks which were always in a dither;
The crowd on the school steps when there was warm weather;
The days that were good, the days that were bad;
But those days with you, Lincoln, were the best we ever had.

—*Marguerite Level.*

"JUST BEGUN"

How can one forget these things?
These things that so openly defy forgetfulness;
Cherished always will be these jewelled memories;
With ever growing brilliance
Graciously crowning each retrospect.
The ever-present, inharmonious din of crowded halls,
Funny—, but 'tis back to these that my memory calls.
The long and toilsome trek up age-old hills,
That remained forever steep and unyielding,
Despite the persistent trampings of a thousand hopeful heels.
Up and down, and up and down again;
I long for it now, but I hated it then;
Hated it with a hate born of the
Love that one rather unconsciously
Develops while seeking the
Termination of that seemingly
Endless academic rainbow—
At the end of which one always
Reaps his long-sought, and hard-won
But truly deserving meed;
'Tis education for which we all have the need.
And just as this writing remains undone,
So my quest for knowledge is just begun.

—*Carroll Jenkins.*
